## **SENATOR ALLARD ANNOUNCES DHS GRANTS FOR FIREFIGHTERS IN LOVELAND**

WASHINGTON, D.C. - U.S. Senator Wayne Allard (R-CO) announced today the Colorado beneficiaries of the latest round of FY 2003 grants through the Assistance to Firefighters Grant Program (AFGP) administered by the Department of Homeland Security.

“I am pleased to announce the DHS grant for my hometown’s Loveland Fire & Rescue Department,” Senator Allard said. “This funding is a fulfillment of the federal government’s commitment to improving emergency preparedness throughout the nation, and will have a positive impact on the safety of Coloradoans.”

In this round of grants, the Loveland Fire & Rescue Department was awarded \$18,130 for fire prevention programs.

These grants are the latest round of over \$6 million of federal funding that has previously been awarded to fire departments in Colorado through the AFGP in FY 2003.
